

Serial No. 10/807,335

REMARKS

In accordance with the foregoing, an inadvertent typographical error in the specification at page 6, paragraph [0022] has been corrected. Accordingly, "FIGS. 25A to 25F" has been changed to -- FIGS 25A to 25E--.

No new matter is presented and, accordingly, approval and entry of the amendment is respectfully requested.

The need for the change in the application was first recognized when reviewing a Notice of Drawing Inconsistency with Specification following receipt of the Notice of Allowance herein and hence could not have been previously made. (The change was made in certain parents of the present application over a span of a few years, but was inadvertently forgotten when filing the subject application).

Accordingly, approval and entry of the foregoing claim amendments are respectfully requested.

Entry of this Amendment is respectfully requested.

Respectfully submitted,
